

ZeroLeu minis

Free of Leucine (Leu). From 3 years of age.

General description:

ZeroLeu minis is a highly concentrated protein supplement free of Leucine (Leu) for the nutritional treatment of disorders of this amino acid metabolism, as is the case of Isovaleric Aciduria (AIV). ZeroLeu minis is an amino acid formula in tablets, ready to take and ideal to takeaway, without flavor or smell. Suitable from 3 years of age, for teenagers and adults. ZeroLeu minis are discreet, neutral, convenient, practical, efficient, flexible and quick to take.* It contains pure L-amino acids as protein source, vitamins, minerals and all essential micronutrients. Low calorie content.

Presentation and Protein Equivalent (PE):

Each box contains 35 sachets (294 g). Each sachet contains 12 tablets (5 g PE).

Important information:

ZeroLeu minis must only be used under medical supervision. Not for use as a sole source of nutrition. For enteral use only.

Dosage and Administration:

The daily total amount of amino acid mixture depends on age, body weight and individual medical condition, and should be determined by a medical specialist. The daily quantity of ZeroLeu minis should be taken in 3 - 5 single portions. The daily dosage of amino acid mixture can consist either exclusively of ZeroLeu minis or of several products suitable for use in the dietary management of disorders in the metabolism of the amino acid Leucine, such as AIV. The diet must be supplemented with energy, natural protein and other nutrients.

Preparation:

Oral supplementation with sufficient quantity of water or suitable liquid. ZeroLeu minis should not be dissolved in water or other drinks.

Storage:

Keep it in a cool, dry place. Once opened, consume the sachet content within the next 6 hours.

* **Discreet** – almost no attention drawn to the dietary product; **Neutral** – coated tablets, no taste, no smell; **Convenient** – ready “to go”; **Practical** – no cooling necessary; **Efficient** – high in protein and low in energy; **Flexible** – wide choice of drinks suitable for intake; **Quick to take** - easy application.
