

ZeroMet minis

Free of Methionine (Met). From 3 years of age.

General description:

ZeroMet minis is a highly concentrated protein supplement free of Methionine (Met) for the nutritional treatment of Homocystinuria (HCU). ZeroMet minis is an amino acid formula in tablets, ready to take and ideal to takeaway, without flavor or smell. Suitable from 3 years of age, for teenagers and adults. ZeroMet minis are discreet, neutral, convenient, practical, efficient, flexible and quick to take.* It contains pure L-amino acids (enriched in L-cysteine), vitamins, minerals and all essential micronutrients. Low calorie content.

Presentation and Protein Equivalent (PE):

Each box contains 35 sachets (294 g). Each sachet contains 12 tablets (5 g PE).

Important information:

ZeroMet minis must only be used under medical supervision. Not for use as a sole source of nutrition. For enteral use only.

Dosage and Administration:

The daily total amount of amino acid mixture depends on age, body weight and individual medical condition, and should be determined by a medical specialist. The daily quantity of ZeroMet minis should be taken in 3 - 5 single portions. The daily dosage of amino acid mixture can consist either exclusively of ZeroMet minis or of several products suitable for use in the dietary management of HCU. The diet must be supplemented with energy, natural protein and other nutrients.

Preparation:

Oral supplementation with sufficient quantity of water or suitable liquid. ZeroMet minis should not be dissolved in water or other drinks.

Storage:

Keep it in a cool, dry place. Once opened, consume the sachet content within the next 6 hours.

* **Discreet** – almost no attention drawn to the dietary product; **Neutral** – coated tablets, no taste, no smell; **Convenient** – ready “to go”; **Practical** – no cooling necessary; **Efficient** – high in protein and low in energy; **Flexible** – wide choice of drinks suitable for intake; **Quick to take** - easy application.

Product

ZeroMet minis

Treatment of

HCU

Presentation and PE

AA formula in tablets.
Each box contains 35 sachets (each with 12 tablets \equiv 5 g PE)

Age

From 3 years of age

Preparation

Tablets ready to take with water or other suitable liquid

ZeroMet minis

Free of Methionine (Met). From 3 years of age.
